BLC TEXTILES SPLITS FROM BALTIC LINEN, REINFORCES DEDICATION TO TEXTILE RENTAL MARKET

NEW YORK (June 1, 2014) – Baltic Linen Company has announced its split into two separate entities. The textile rental division of Baltic Linen will become BLC Textiles, Inc. The new company will be dedicated fully to the textile rental industry under the ownership of Mark Lichter, while Baltic Linen Company will continue to operate in the hospitality, retail and cruise line industries under Frank Greenberg.

BLC Textiles has added Brian Greenberg, Mark's son-in-law, as the controller and chief financial officer of the company. "Like many of our customers, BLC Textiles is a family owned and operated company. In keeping with that tradition, I am proud to welcome Brian to the team," said Mark Lichter, chairman of BLC Textiles.

Prior to joining BLC Textiles, Brian Greenberg was an associate partner at DL Business Management, a private accounting and tax service firm. He is a Certified Public Accountant, a member of the AICPA, and has over 15 years of experience in both the public and private sector with a B.S. from Binghamton University.

"Our customers will enjoy the same dedication to service and quality they have always had as we become BLC Textiles. Our distribution points, products, suppliers, supply chain and people will all remain the same as they were under Baltic's umbrella," said Ben Pincus, president of the textile rental division.

BLC Textiles will continue to own and operate Cambodia Textiles Worldwide (CTW), a subsidiary manufacturing facility in Phnom Penh, Cambodia, whose sole purpose is to produce product used in the textile rental industry around the world.

BLC Textiles will be moving its headquarters from Lake Success to nearby Mineola, New York. The new address will be 330 Old Country Road, Suite 201, Mineola, New York, 11501-9000.
